SEMANA

I  
N  
G  
L  
È  
S

1. Read the example. Then make sentences with a partner.

E.g. I'm good at geography, **but** I'm bad at science.

|      |   |           |                          |
|------|---|-----------|--------------------------|
| I    |   | am (not)  | } good / bad at history. |
| He   | } | is (not)  |                          |
| She  |   |           |                          |
| You  | } | are (not) |                          |
| We   |   |           |                          |
| They |   |           |                          |

2. Make groups of four and ask each other the questions below.

P.E.

history

geography

math

computer science

- What's your favorite subject?
