

Listening (Unit 6-10)

Listen to John and Susie. Then decide if the statements match John (J) or Susie (S).

Who:

- 1 wants to be on time?
- 2 spent a long time to get ready?
- 3 didn't enjoy the last film they saw?
- 4 says the café is fashionable?
- 5 is going to be very busy after the film?

Listen to the people talking about their experiences with work. Then match the statements with the correct speakers (1-4). There is one extra statement.
