Charlie and the Frog

Charlie is walking home from school and sees a frog on the road. The frog hops over to Charlie and starts to speak.

"If you kiss me, I'll turn into a beautiful princess," says the frog.

Charlie picks up the frog and puts it in his pocket.

"Please kiss me," says the frog. "I'll love you forever!"

Charlie looks at the frog and smiles.

The frog yells, "If you kiss me, I will turn into a princess. I will clean your room, cook for you, do your homework and love you forever!"

Charlie smiles at the frog and puts it back into his pocket.

"What is wrong with you?" shouts the frog. "I am a beautiful princess and will love you forever. Why won't you kiss me?"

"I am just a 9-year-old school boy," says Charlie. "I don't need a princess, but a talking frog is really cool!"

1. Where does Charlie first see the frog?

- A) In his backyard B) On the road coming home from school
C) on the bicycle path

2. How old is Charlie?

- A) 7 B) 8 C) 9

3. What does the frog promise if Charlie kisses it?

- A) to love him forever B) to disappear C) Both are true.

4. Why doesn't Charlie kiss the frog?

- A) He wants a talking frog - not a princess. B) The frog has bad breath
C) He doesn't like frogs.

5. Where does Charlie keep the frog?

- A) in a jar B) in the sandbox C) in his pocket

Four Happy Penguins

Molly stops at a gas station to fill up.

A man who works there sees four penguins in the back seat and asks, "Why do you have four penguins in your car?"

Molly says, "I stopped at a red light and they climbed in! What should I do with them?"

The man thinks for a second and says, "Maybe you should take them to the zoo."

"That's a good idea. I'll do that," says Molly.

A few days later Molly returns to the gas station. The man sees the same four penguins in the car. But now they're wearing sunglasses!

"What's going on?" asks the man. "I thought you were taking those penguins to the zoo."

"I did take them to the zoo!" answers Molly. "We had such a great time, that today I'm taking them to the beach!"

1. Why were the penguins wearing sunglasses?

- A) The zoo was giving out free sunglasses.
- B) They had eye problems
- C) They were going to a sunny beach.

2. Who is Molly?

- A) one of the penguins
- B) the driver of the car
- C) a worker at the gas station

3. What does the man really mean when he tells Molly to take the penguins to the zoo?

- A) Molly should show them around the zoo for fun
- B) Molly should leave them at the zoo to live
- C) Molly should take them to the circus.

4. What does Molly think the man means when he says to take the penguins to the zoo?

- A) She should show them around the zoo for fun.
- B) She should leave them at the zoo to live.
- C) She should take them to the circus.

5. How did the penguins come to be in the car?

- A) They were hiding in Molly's garage.
- B) They hopped in when the car stopped at a light.
- C) It doesn't say in the story.
