

Task 25

Read the dialogue between 2 friends and answer these following questions.

- Maxine : Hi, Becca! Your dress looks great on you. It fits perfectly, better than mine.
- Becca : Thanks, Max. It's my favourite. It's shorter than yours and more colourful, I guess. But your shoes are nicer than my sandals.
- Maxine : Yes, my dress isn't as short as yours, but I like it. Thanks about the shoes, but they're a bit tight... I should have bought a bigger size. Anyway, wow, you have great taste in clothes, Becca. I love sequins!
- Becca : They're pretty, aren't they? You look nice too. That dress really suits you.
- Max : You think so? Oh, thanks! But your dress is prettier... Oh... I will look worse than all the girls at the party!
- Becca : Don't be silly, you look as pretty as I do. Look, there's Claire! Let's go inside.
