PASSAGE 12

Tra ID Đề [5892] - Tra ID Video [5893]

If you're currently in secondary school, you may be interested in getting a job during your summer break. However, you may not know how to find a summer job. Here is some useful advice for you.

Firstly, you should find out when your school will close for the summer. Then you should plan to apply for jobs two to three months before the start of your summer break. This can help ensure that you have a job already **lined up** when summer arrives. Secondly, you should prepare an application letter for the job you want to apply for. You may have to change each application letter for every specific job to increase your chances of moving further in the hiring process. For example, your application letter for a shop assistant may highlight different qualifications than the one for a home tutor to a young child.

Lastly, you should prepare for the job interview. If an employer is interested in hiring you, they may ask you for an interview. Before the interview, prepare for some questions that the interviewer is likely to ask you, such as why you want the position and what relevant skills you have. On the day of the interview, bring printed copies of your cv and application letter in case the employer wants to review them. You should also wear a professional outfit and try to be **positive** and friendly during your interview.
