1. Reading Comprehension: Travel Stories

Variant 1: Tom's Trip to the Mountains

Last Saturday, Tom and his family went to the mountains by car.

They stayed in a small wooden cabin near a beautiful lake.

The weather was sunny, but it was a bit cold in the morning.

Tom wore a warm jacket and boots because they went hiking.

They climbed a high hill and saw deer and rabbits in the forest.

Tom's sister, Lucy, took many photos of nature and animals.

At lunchtime, they had a picnic with sandwiches, apples, and juice.

In the evening, they made a fire and roasted marshmallows together.

Tom looked at the stars and said it was the best day of his life.

He was tired but very happy when they went to sleep that night.
