-

Complete the table below with your findings.

Verb/Adjective Found	Example Sentence (from concordancer)	Your Interpretation (what it means or how it's used)
----------------------	--------------------------------------	--

Answer the following questions:

1. **What is the most common verb you found used with the word "issue"? Why do you think it's common?**
2. **Choose one concordance line that surprised you. What made it interesting or unexpected?**
3. **Write a short summary (50-70 words) describing how the word "issue" is commonly used in real English. Try to use at least one collocation from your search.**
