

Today is sunny day!

Toto the puppy wants to
buy apples and bread for Grandma.

He wants to share them with
friends too.

He carries a map and sings,

“Go straight~ Turn left~
I know the way!”

But suddenly...

WHOOSH!

The wind blows Toto's map
into the river!

“Oh no! **Where is the bakery?**
Where is the market?”

**Toto looks around...
And he sees you!**

**“Excuse me!
Can you help me
find the market and the bakery?”**

Toto listens carefully.

**“To the market...
Go straight two blocks
and turn left at the zoo”**

**“And to the bakery...
Go straight one block
and turn right at the library”**

**Toto follows your directions.
He walks and walks...**

Soon, He sees a red tent!

“Wow the market!”

**He buys
the biggest, reddset apples.**

Then he remembers
your next direction.

He walks and walks...
And he smells
something delicious.

“The bakery!”

He buy the warmest, softest bread
for gradma.

**Back home, Grandma hugs Toto.
“You’re my brave, sweet boy!”**

**Toto smiles.
“It was nothing!”**

Then he looks at you and whispers.

**“Thank you my friends.
This is my present”**
