**Instructions: Choose the correct answer.**

## The White House

The White House is where the President lives and works. **It** is one of the most famous buildings in the world. Every president has lived there except for George Washington. Over 43 Presidents have lived in the White House. Our second President John Adams, was the first to live there. Many other people live and work in the White House, too. Cleaning and cooking staff and people who help keep the President and his family safe live there. About 400 different kinds of pets have lived in the White House too! The White House is a busy place and an important symbol for our country.
