

Hello / Hi  
Is there anybody in there?  
Just nod if you can hear me  
Is there anyone at home?

Come on now  
I hear you're feeling down  
Well, I can ease your pain  
Get you on your feet again

Relax / come on  
I'll need some information first  
Just the basic facts  
Can you show me where it hurts?

There is no pain, you are receding  
A distant ship smoke on the  
horizon / sea  
You are only coming through in  
waters / waves  
Your lips move but I can't hear  
what you're saying  
When I was a child I had a fever  
My hands felt just like two  
balloons / wings  
Now I've got that feeling once  
again  
I can't explain, you would not  
understand  
This is not how I am  
I have become comfortably numb

O.K.  
Just a little pin prick  
There'll be no more ah!  
But you may feel a little sick

Can you stand up?  
I do believe it's working, good  
That'll keep you going through the  
concert / show  
Come on, it's time to go

There is no pain you are receding  
A distant ship smoke on the ocean  
/ horizon  
You are only coming through in  
waves / waters  
Your lips move but I can't hear  
what you're saying  
When I was a baby / child  
I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown / gone  
The dream is grown / gone  
I have become comfortably numb
