

Hello / Hi

Is there anybody in there?

Just nod if you can hear me

Is there anyone at home?

Come on now

I hear you're feeling down

Well, I can ease your pain

Get you on your feet again

Relax / come on

I'll need some information first

Just the basic facts

Can you show me where it hurts?

There is no pain, you are receding

A distant ship smoke on the
horizon / sea

You are only coming through in
waters / waves

Your lips move but I can't hear
what you're saying

When I was a child I had a fever

My hands felt just like two
balloons / wings

Now I've got that feeling once
again

I can't explain, you would not
understand

This is not how I am

I have become comfortably numb

O.K.

Just a little pin prick

There'll be no more ah!

But you may feel a little sick

Can you stand up?

I do believe it's working, good

That'll keep you going through the
concert / show

Come on, it's time to go

There is no pain you are receding
A distant ship smoke on the ocean
/ horizon

You are only coming through in
waves / waters

Your lips move but I can't hear
what you're saying

When I was a baby / child

I caught a fleeting glimpse

Out of the corner of my eye

I turned to look but it was gone

I cannot put my finger on it now

The child is grown / gone

The dream is grown / gone

I have become comfortably numb
