

When it's **1.** _____ outside, I'm happy. For me, **2.** _____ weather is better than **3.** _____ weather. Some people don't like the **4.** _____. But I don't mind the heat. It can be **5.** _____, but for me that's okay. Some places are too hot though. For example, the city of **6.** _____ is really hot in the summer. I like hot weather but not that hot **7.** _____. In really hot cities, you need to stay **8.** _____ during the afternoon. In the US, most buildings in hot cities have **9.** _____.

Ok now let's talk about **10.** _____ days. I **11.** _____ cloudy days. When the sun is not **12.** _____, I feel a little **13.** _____ because I love sunny days. But cloudy days are **14.** _____—every city has cloudy days. Some cities are always cloudy, like **15.** _____. I can't live in a cloudy city—I need **16.** _____. Do you like sunny or cloudy days more?

Okay now let's talk about **17.** _____ days. For me, rainy days are the **18.** _____. I love being outside, so this is why I don't like the rain. When it rains, I can't do anything **19.** _____. I have to stay **20.** _____ all day. Some people really like the rain. My **21.** _____ likes the rain, but only when she's inside. She says that the sound of the rain is **22.** _____. I don't agree. I don't like the sound of the rain. It reminds me that I can't go outside. Of course, you can go outside when it's raining, but you need to take an **23.** _____. If you don't have an umbrella, you get **24.** _____. Sometimes, it starts raining when I'm not home and I don't have an umbrella with me. This is the **25.** _____. I don't like getting wet. Also, when it rains, it can be dangerous to **26.** _____. Many people have car **27.** _____ when it rains. When the streets are wet, you need to drive **28.** _____. If you don't, you can have an accident. On rainy days, there are a lot of car accidents. I don't like **29.** _____ in the rain.

All right, now let's talk about **30.** _____ days. Some cities have a lot of wind and this can be good or bad. If you live in a **31.** _____ city, the wind can be good because it **32.** _____ the city down. But if you live in a **33.** _____ city, the wind can be bad because it makes it even colder. If the wind is really **34.** _____, it can cause problems. Sometimes **35.** _____ fall down because of the strong wind. Usually, I prefer days that aren't windy.

Okay, lastly let's talk about the **36.** _____. It doesn't snow in my city, so I don't see the snow often. Some years, my family goes to the **37.** _____ in the winter to ski and **38.** _____. I like the snow, but I don't want to live in a **39.** _____ city—it's too cold and life is more **40.** _____ in the snow. I have some **41.** _____ that live in really cold cities. During the winter, the **42.** _____ can be minus 20 or minus 30 degrees **43.** _____. For me, that's crazy. I don't like the **44.** _____.

Another bad type of weather is **45.** _____ weather. In the US, we have some bad storms, like **46.** _____ and **47.** _____. I've never seen a storm like this before, but I've seen many **48.** _____. These storms are not that bad, but I don't like **49.** _____—lightning can be scary.
