Part 4: Read the following passage and write A, B, C, or D on your answer sheet to indicate the best answer to each of the following questions. (1.0 pt)

Gadgets are innovative tools or devices created to make specific tasks simpler. They come in a wide range

of forms, from household appliances to advanced electronic devices. While some gadgets serve practical purposes for daily tasks, others are designed for convenience or enjoyment. These devices have transformed modern life by influencing how we stay connected, enjoy leisure activities, perform our jobs, and track our well-being.

These include smartphones, smartwatches, smart home systems, and wearable devices. As technology continues to advance, more innovative and influential gadgets are likely to emerge, shaping how we live and connect with our surroundings. Gadgets are now an integral part of modern life, transforming how tasks are handled and completed. They seamlessly combine practicality with creativity, providing users with fresh ways to interact with technology and their environment.

In short, gadgets touch nearly all areas of life. They save time, provide convenience, and deliver entertainment, improving both productivity and relaxation.

1. What is the primary purpose of gadgets as described in the text?

- A. To replace human interaction
- B. To complicate daily tasks
- C. To make specific tasks simpler
- D. To reduce technological dependence

2. Which of the following is NOT mentioned as a form of gadget in the text?

- A. Smartphones
- B. Smartwatches
- C. Smart home systems
- D. Desktop computers

3. How have gadgets transformed modern life according to the text?

- A. By making people more isolated
- B. By influencing how we stay connected, enjoy leisure, work, and monitor well-being
- C. By eliminating the need for physical activity
- D. By reducing access to information

4. What does the text suggest about the future of gadgets?

- A. They will become obsolete
- B. Their development will stagnate
- C. More innovative and influential gadgets will emerge
- D. They will only be used in industrial settings

Part 5: Read the following passage and decide if the statements that follow are TRUE or FALSE. (1.0 pt)

Air pollution is a cause of ill-health in human being. In a lot of countries there are laws limiting the amount of smoke which factories can produce. Although there isn't enough information on the effects of smoke in the atmosphere, doctors have proved that air pollution causes lung diseases. The gases from the exhausts of cars have also increased air pollution in most cities. The lead in petrol produces a poisonous gas which often collects in busy streets surrounded by high buildings. Children who live in areas where there is a lot of lead in the atmosphere cannot think as quickly as other children and are clumsy when they use their hands. There are other long-term effects of pollution. If the gases in the atmosphere continue to increase, the earth's climate may become warmer. A lot of the ice near the Poles may melt and may cause serious floods.

1. Air pollution can make people ill.
2. Some countries pass laws to prohibit factories from producing smoke
3. Lead should not be used in petrol because it's bad for children's brain.
4. The ice near the North and South Poles may melt because of very bad floods.

Part 6: Give the correct form of the verb or the word in brackets. (1.0 pt)

1. I (not see) my cousin since Tet holiday.
2. They (travel) around Europe when they lost their passports.
3. I think we should reuse and recycle bottles and cans to save (nature) resources.
4. We need to take action to stop environmental (destroy)

Part 7: Each sentence has a mistake. Find the mistakes and correct them. (1.0 pt)

1. He suggests to join the yoga class on Mondays.
2. Anh got mark 10 on math and she felt very happily.

Part 8: Complete the second sentence so that it has the same meaning as the first one. Use NO MORE THAN FOUR WORDS. (2.0 pts)

1. Lan said to Nam, "Will you be to France with your mother next week?"

→ Lan wanted to know..... to France with his mother the following week.

2. I don't have enough money to buy that book. → I wish..... to buy that book.

3. Because of his laziness, he didn't pass his exam. → Since, he didn't pass his exam.

4. The girl is kind. She helped the old man. → The girl the old man is kind.
