Join with Arrows

By 8 PM, she...	...will have been exploring Mars for a few years.
When you finish this course, you...	...will have been talking for two hours straight.
Look at the dark clouds! It...	...will have been snowing all night.
By the year 2030, humans...	...will have been working on her project for three hours.
If he doesn't stop, he...	..will have been learning English for over a year.
