

At the Café

I go to the café with my family. I often eat a sandwich and drink milk. I sometimes get a cookie. I never drink coffee. My little sister always drinks juice. We sit, eat, and talk together. I like the café!

often	sometimes	juice	sandwich	never
--------------	------------------	--------------	-----------------	--------------

1. I eat a _____ when I go to the café many times.
2. I _____ get a cookie, but not every time.
