

My Sister's Wedding

Read the text and find the information to complete the chart.

Last Wednesday was my sister's wedding. Around 100 friends and family members were there. The party was in a huge restaurant, so it wasn't crowded. It was very exciting and the food was delicious.

There was fish, chicken, rice, potatoes, salad and vegetables. There were also hamburgers and chips for children. The wedding cake was very big and there was a piece for everyone. After the meal, there was music and dancing. There were photographs before the wedding, during the dancing and at the end of the party. My dress was quite nice, but my sister's dress was really beautiful. Well, it was her wedding.

It was an enjoyable event and everyone was very happy.
