

**Playground designer:** Good morning, everyone! We're going to work together to plan your new playground. Your playground will have two towers. What will we have between the towers? Will we have a tunnel or a bridge? It's up to you. What would you like?  
**Child 1:** A \_\_\_\_\_!

**Playground designer:** OK, we will have a bridge! Now let's choose \_\_\_\_\_. We can have two slides. There are \_\_\_\_\_ slides and \_\_\_\_\_ slides.

**Child 1:** I want a curvy slide.

**Child 4:** I want a straight slide.

**Playground designer:** Well, we can have one curvy slide and one straight slide. Does that sound good?

**Child:** Yes. That's good!

**Playground designer:** Let's choose a \_\_\_\_\_. We can have a \_\_\_\_\_ ladder or a \_\_\_\_\_ ladder.
