

My New Car

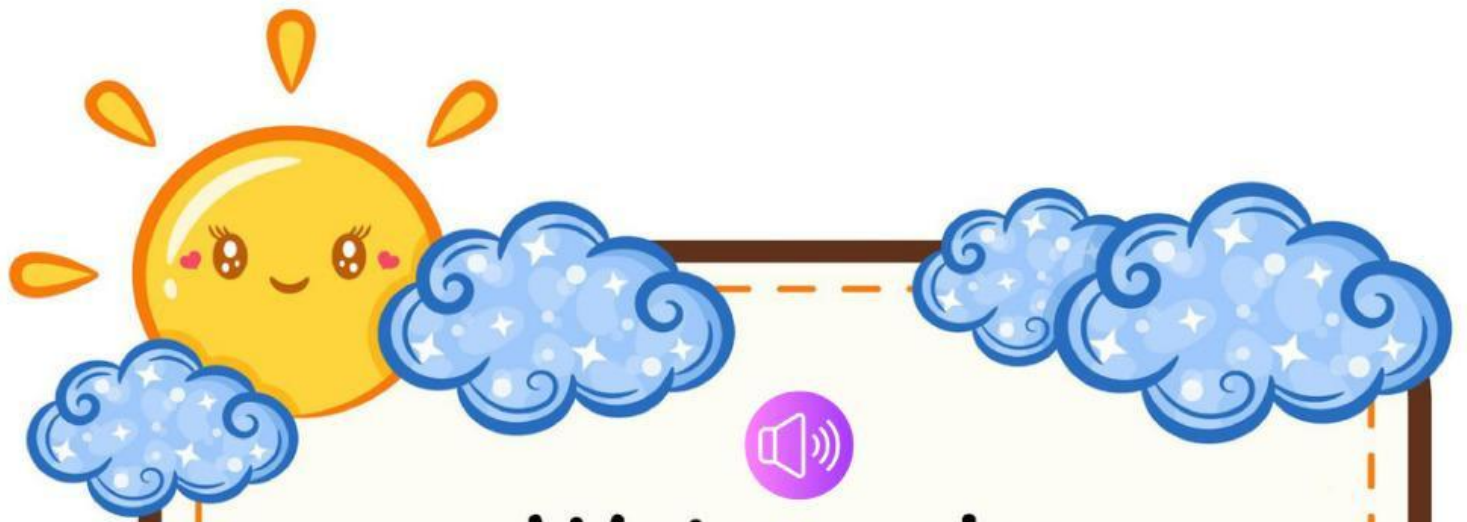

This is my new car. 

We can take my new car for
a fast ride. 

Do you want to go with me? 

Where do you want to go? 

Watermelon

I like watermelon. 

It is sweet and juicy. 

But watermelon is big and 
heavy.

So we need to slice it 
nicely.

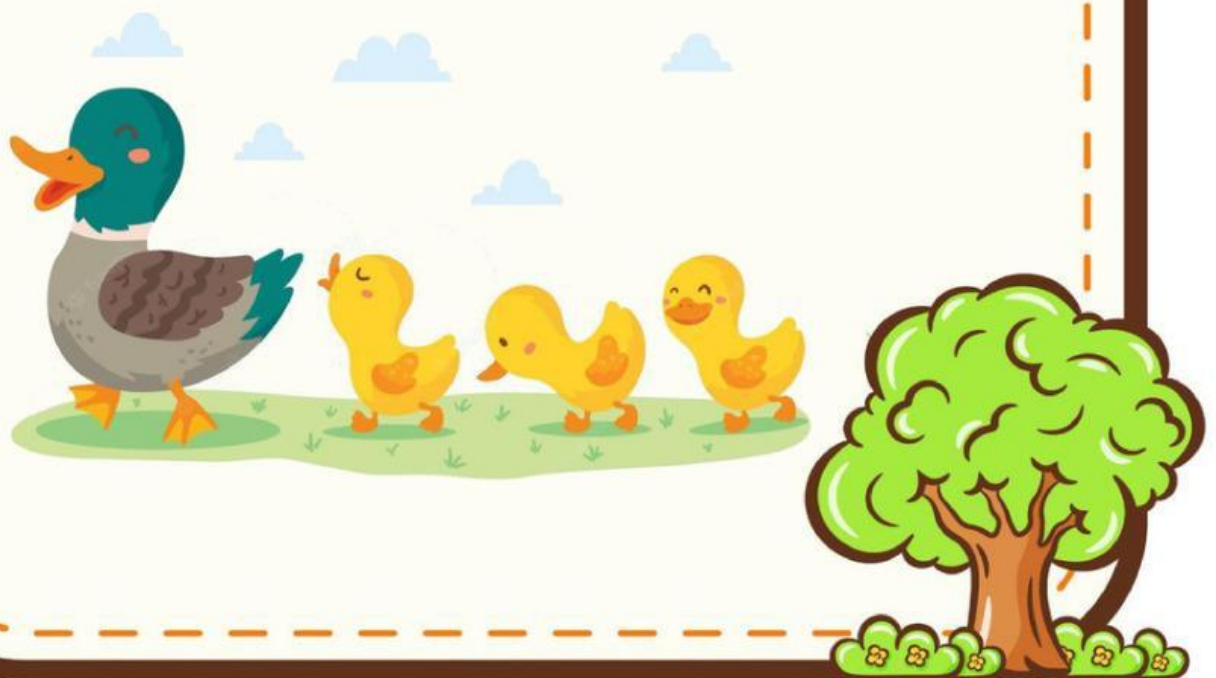

The ducks

I am a mommy duck. 

These are my three ducklings. 

We swim and quack all day. 

We are a happy family. 

My Birthday

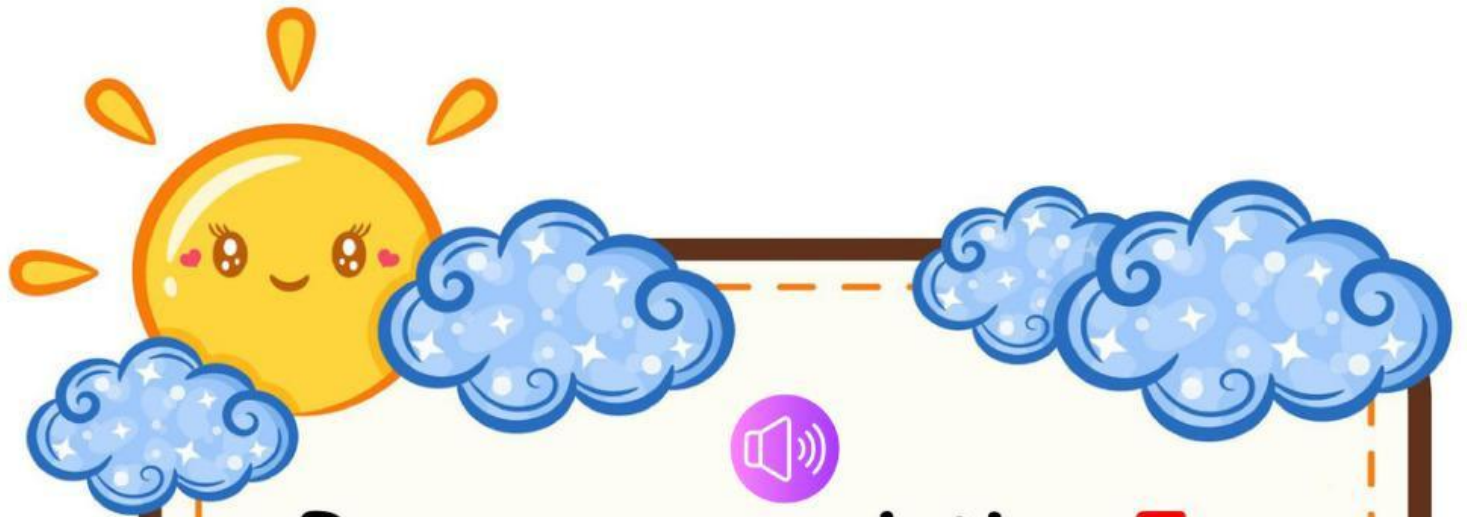

Yesterday was my birthday. 

I had a birthday party. 

Mom baked a cake for my birthday. 

It was very yummy! 

Benjamin and the Egg.

A bell rang. 

Benjamin got out of his bed. 

He had red hens. 

He cleaned the chicken pen. 

Then he got the eggs. 

Benjamin found lots of eggs.
