

2 Home Sweet home

1. Listen and read.

Meera: We've got a new flat. We are moving from our house in a country to a flat in a town.

Lenny: Do you like living in the country?

Meera: I love the country. At the moment I live in a small village. It's quiet and there are a lot of trees.

Lenny: Has your house got a basement under the floor?

Meera: Yes, it's full of boxes and old toys.

Lenny: And what about your new flat?

Meera: Well, it hasn't got a basement or a garden. But it's got a beautiful balcony for my plants.

Lenny: Cool! What else?

Meera: The house in the village has got stairs to go up and down.

But the flat in the city is different. There are five floors so we can go upstairs and downstairs in a lift!

Alex: Wow! I want to live in a flat!
