Summer at the Lake

Last summer, I went on a trip to a lake in the mountains with some friends. We arrived early in the morning, just as the sun was rising. The view was incredible – the water was calm, and the sky was full of soft pink and orange colors.

We spent the day kayaking, swimming, and enjoying the fresh air. We also made a fire and cooked hot dogs and marshmallows. At night, the stars were so clear that we could even see some constellations.

It was one of the most peaceful and relaxing days I've had. I didn't check my phone once, and I felt really connected to nature and to my friends.
