

I really enjoy school, and I think I (1) \_\_\_\_\_  
(learn) a lot this year. We (2) \_\_\_\_\_ (study)  
**science** and **PE** since September, and I (3)  
\_\_\_\_\_ (already / take) two **tests** in **chemistry**.  
I (4) \_\_\_\_\_ (not do) very well in the first one,  
but I (5) \_\_\_\_\_ (get) a better mark in the  
second.

Last week, we (6) \_\_\_\_\_ (give) a  
**performance** in our **design and technology** class.  
It was fun! I (7) \_\_\_\_\_ (never / give) a  
performance like that before.

Since the beginning of the year, I (8) \_\_\_\_\_  
(make) a few new **friends** in my **high school**, and I  
(9) \_\_\_\_\_ (also / start) to **study a foreign**  
**language** online. I think learning online is great — I  
(10) \_\_\_\_\_ (already / complete) three  
grammar lessons on my own!
