Dear Eric,  
I'm ten years old and my sister Dina is five. We usually have a lot of fun together, but I have a problem. When I do my homework or read a book, I need quiet. Dina plays in our room and she makes a lot of noise. Next week, I have two tests and I can't study when Dina makes noise. What can I do? I need help.

Sara

Dear Sara,  
I understand your problem. Here are ideas that can help you.  
You can ask\* Dina to play quietly or to go play in another room.  
You can also read and do your homework in the library.  
When you study for a test, you can ask your parents to take Dina to a friend.  
Good luck!  
Eric
