

Conociendo mi computadora

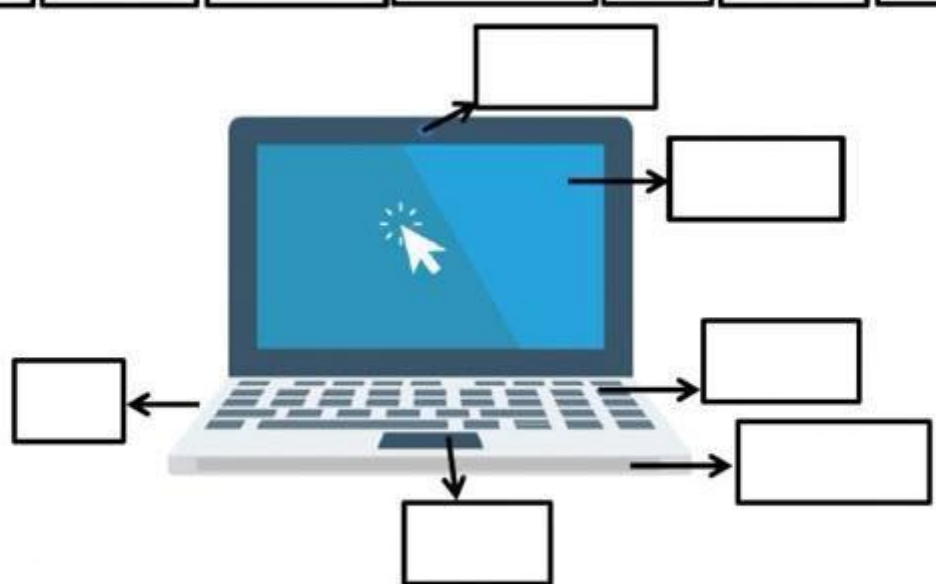

I. Arrastra el nombre que le corresponde a cada parte del computador

The diagram shows a desktop computer setup. A central monitor is connected to a CPU tower. A keyboard and mouse are connected to the front of the CPU. Two speakers are connected to the sides of the CPU. A printer is connected to the back of the CPU. A camera is mounted on top of the monitor. Arrows point from each component to a blank box for labeling.

Labels for the desktop computer components:

- Monitor
- CPU
- Mouse
- Teclado
- Parlantes
- Impresora
- Cámara

The diagram shows a laptop computer. Arrows point from various parts of the laptop to blank boxes for labeling.

Labels for the laptop components:

- Monitor
- Mouse
- Teclado
- Parlantes
- Cámara
- CPU
