10 x 2 = 20 mar

Reading

C. Read the text and mark the statements (1-5) as T (true) or F (false).

MEET PHOEBE

Hi! I'm Phoebe and I'm 12 years old. I'm from Toronto, but I live in London with my parents and my brother, Victor. My weekdays are busy, so I don't have much free time. I go to school and then I have drama club or karate club before I do my homework.

In my free time, I read. My parents think I spend too much time in my room with my head in a book, but I don't agree, I also like listening to music. My brother doesn't like reading. He plays online games in his free time. He loves it, but I think it's boring and a waste of time. At the weekend, I hang out with my friends. we watch a film or go out to eat.

- | | |
|---|-------|
| 1 Phoebe lives in Toronto. | |
| 2 She doesn't have a lot of free time. | |
| 3 She goes to after-school clubs. | |
| 4 Phoebe's parents think she should study more. | |
| 5 Victor likes reading as a hobby. | |
