C Soak up the Sun

Sandy beaches, clear waters, palm trees and a relaxing atmosphere. You're in Crete in the Mediterranean Sea – the perfect location for a beach holiday. But that's not all. Crete is a rich mix of history and culture, amazing food, beautiful markets and welcoming locals.

D A Winter Wonderland

Located high in the magnificent French Alps, Val Thorens is the perfect place for a winter ski trip for the whole family. Spend the morning skiing down the mountain and in the evening, enjoy hot chocolate in a cosy mountain resort.

E The Amazing Amazon

Brazil is the ideal destination for those who want to experience life in one of Earth's most beautiful natural environments. Hiking tours can take you on week-long journeys to explore the Amazon Rainforest, stay in a treehouse and find out why it's called 'the lungs of the planet'.

F Bold and Beautiful

For those who prefer urban areas, Singapore is a destination like no other. The bold design of its high-rise buildings makes the city look like something from a science-fiction film! And if you love shopping, you'll have the time of your life at the huge malls and department stores of this modern Asian city.

G High Life Highlights

If you like travelling in luxury, the Maldives is the place for you. Here, you can dive into the clear waters from your luxurious villa and explore the coral reefs in the Indian Ocean. Finish each day in an underwater restaurant for an unforgettable dinner with a view!

H Wildlife Watch

Tanzania, in East Africa, is the perfect destination for those who dream of seeing the Big Five: lions, leopards, elephants, buffalo and rhinos. Also, the Great Migration is an extraordinary wildlife event not to be missed: more than 1.5 million wildebeest travel across the Serengeti National Park in search of food and water.
