

THE ROAD ISN'T A GAME

Look around you! What are people doing right now to stay safe? The traffic light is changing to red. What are the cars doing? They are stopping! And what are the people doing? They are crossing the street carefully, looking left and right.

Look at Maria, she is walking with her friends. They are using the sidewalk. They are not playing in the street. A bus is coming, and the driver is driving slowly near the school zone.

So, remember, road safety is happening all the time. People are watching for cars, drivers are respecting the speed limits and the signals. We are all working together to keep our roads safe.

I. CIRCLE TRUE OR FALSE:

1. People are crossing the street when the traffic light is green. True / False
2. The cars are stopping because the traffic light is red. True / False
3. Maria and her friends are playing in the street. True / False
4. A bus is coming fast near the school zone. True / False
5. Drivers are not respecting the speed limits and the signals. True / False
6. Road safety is happening all the time. True / False

II. Match the picture with the words

- a. traffic light
- b. sidewalk
- c. signals
- d. Drivers
- e. cross
