Read about what John does before breakfast every day and what he is doing now.

Every day John gets up at 6.30 and does some exercises in the garden. Then he has a shower. He gets dressed and listens to the news on the radio. Then he goes downstairs and makes breakfast. At the moment John is sitting in the kitchen and drinking a cup of tea. He is reading a magazine and thinking about his holiday.

Now write two paragraphs about yourself. Write what you do before breakfast every day and what you are doing now
