

Woke up cold one
I'm lookingand feeling quite sick
I felt like there was something in my day to day life
So I opened the wardrobe
Pulled out some and a t-shirt that seemed clean
Topped it off with a pair of old shoes
That were ripped the seams
And I thought these shoes just don't me
Hey, I put some new shoes on
And suddenly is right
I said, hey, I put some new shoes on
And everybody's....., it's so inviting
Oh, short on money, but long on time
Slowly strolling in thesunshine
And I'm running and I don't need an excuse
'Cause I'm wearing my brand new shoes

Woke up late one Thursday
And I'm seeing as I'm rubbing my eyes
And I felt like there were two days missing
As I focused on the time
Then I my way to the kitchen
But I had to stop from the of what I found
The room full of all my all dancing round and round
And I thought, "Hello new shoes, bye-bye blues"
Take me wandering these streets
Where bright lights and angels meet
Stone to stone they me on
I'm walking to the of dawn
