- _____ 5. You can buy soda, magazines, or milk there.

True/False

Indicate whether the statement is true or false.

Read the email. Then answer *T* for *true* or *F* for *false*.

Hi Sam,

My favorite band, The Amazings, is playing at the High Line Theater tonight. Do you want to see them with me? Here's how you get to the theater. Take the Bus 36 to the Main Street Bus Station. Go to the front of the station. Turn right and walk to Maple Street. Turn left on Maple Street. Go straight down Maple Street past the supermarket. Then look for a very tall, white building. It's on your left, right next to the river, between the tall building and a little park. The show is at 8:00!

See you there!
Joe

- _____ 6. The email is mainly about a concert that Joe went to.
- _____ 7. Sam is Joe's good friend.
- _____ 8. The word *It's* in the second last sentence refers to the tall white building.
- _____ 9. The High Line Theater is on Maple Street.

Name: _____

ID: U

_____ 10. Joe thinks Sam would like to go to the concert.

Read the information. Then complete the sentences.

Visiting the Museum of Natural History

The Museum of Natural History in New York City is a favorite with both children and adults. To get there, first go to the bus station on 42nd Street. There's a subway station right under the bus station. Go down to the subway and take the Eighth Avenue C train. Then, get off at the subway stop that says "Museum of Natural History." When you get off the train, you'll see signs for the museum. Just follow them.

Once you get to the museum, there is a lot to do. You can look at pictures of interesting plants, animals, and birds. You can watch movies in a special movie theater with a very large screen. You will feel like you are right inside the movie! There are also restaurants in the museum if you get hungry, or stores if you want to buy something. It's a great place to visit!

27. The purpose of this passage is to _____ about the Natural History Museum.
28. The word *there* in sentence 2 refers to _____.
29. The subway station is _____ the bus station.
30. The reader should follow the _____ to find the museum.
31. The museum has photos of _____.

Unscramble the words in parentheses to complete the directions.

32. _____ (r f s t i), take Park Avenue down to Clements Street.
33. _____ (e h n t), turn right on Clements Street and look for a tall gray building.
34. _____ (x e n t), look for a park across the street from the tall gray building.
35. And _____ (l l y f n i a), you will be at the skate park.
