

Part 2

Woman: Thanks for coming today and showing interest in the **1.** trip. Now, I'm going to give you some details. This year we're going to **2.**

The trip starts on the **3.** of January and lasts for ten days, so we'll be away until the twelfth. I'm pleased to say that this year's trip will be a bit less **4.** than last year, when it was £775. The price has come down £45 to **5.**, and that's because the **6.** is cheaper.

That price includes breakfast, the evening meal, the cost of renting skis and ski clothes, and the **7.** lifts. But you'll need to pay for your own **8.** That's not included, and drinks aren't, either.

There are **9.** every morning. The cost is included in the price of the holiday. If you're a beginner, I strongly advise you to take these lessons so that you learn good skiing **10.**

Right, are there any questions?
