

Smaller and Bigger Number

Smaller Number is that number which comes before in counting and Bigger Number is that number which comes after in counting.

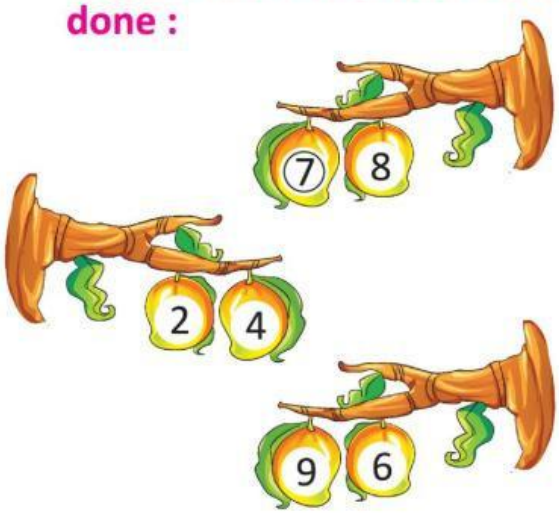

4 is smaller number and 6 is bigger number because :

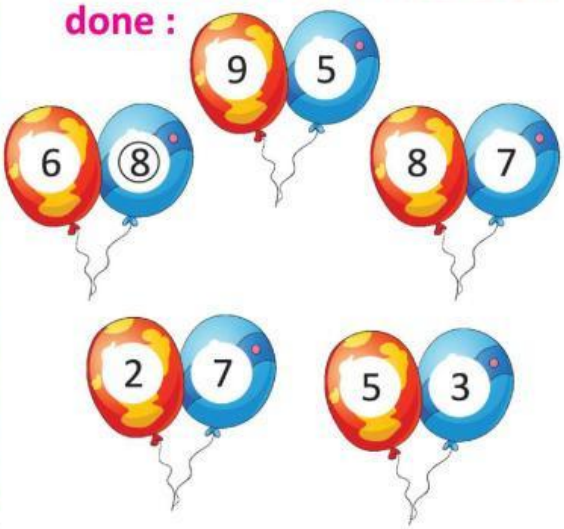

1	2	3	(4)	5	(6)	7	8	9	10
			↑ before		↑ after				

FUN Time

A. Circle the smaller number out of two. One has been done :

B. Circle the bigger number out of two. One has been done :
