

Add by counting the objects and fill in the circles. One has been done for you :

$$(2) \text{ Kites} + (3) \text{ Kites} = (5) \text{ Kites}$$

$$\bigcirc \text{ Cats} + \bigcirc \text{ Cats} = \bigcirc \text{ Cats}$$

$$\bigcirc \text{ Candles} + \bigcirc \text{ Candles} = \bigcirc \text{ Candles}$$

$$\bigcirc \text{ Rabbits} + \bigcirc \text{ Rabbits} = \bigcirc \text{ Rabbits}$$
