

B. Fill in the boxes and blanks as shown in the figure. One has been done for you :

$$9 \div 3 = 3$$

Each box has 3 toffees.

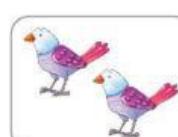

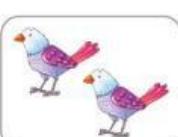

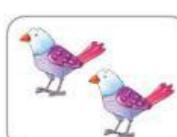

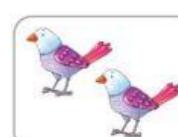

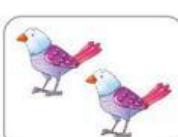

$$16 \div 4 = \boxed{4}$$

4 butterflies are there in each box.

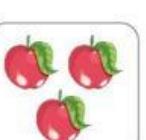

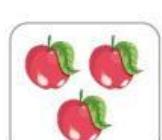

$$12 \div 4 = \boxed{3}$$

3 ice-creams each will get.

$$10 \div 5 = \boxed{2}$$

2 birds each does has.

$$18 \div 6 = \boxed{3}$$

3 apples are there in each box.
