Evaluare sumativă

1. (20p) Reprezintă următoarele mulțimi folosind diagramele din dreptul fiecărui exemplu și notează corespunzător pe fiecare mulțime.

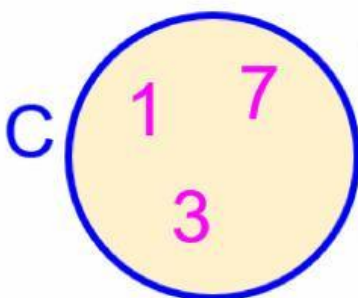

$$A = \{0; 2; 7\}$$

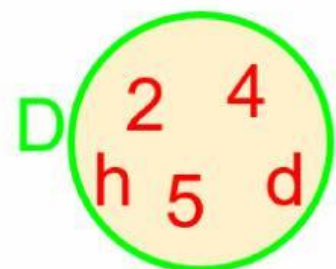

$$B = \{1; 3; 9; 11; 13\}$$

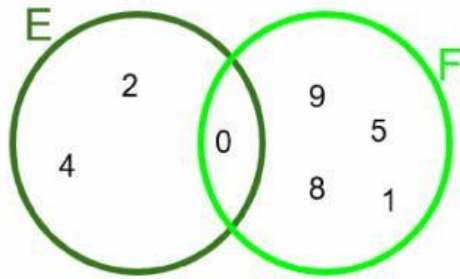

2. (20p) Scrie ca un matematician următoarele mulțimi și apoi află cardinalul lor.

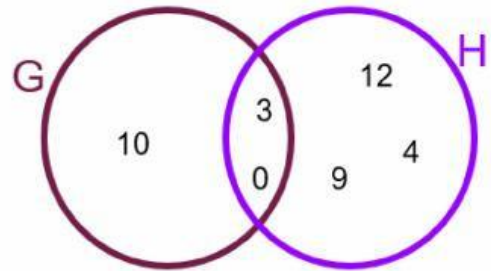

3. (20p) Completează:

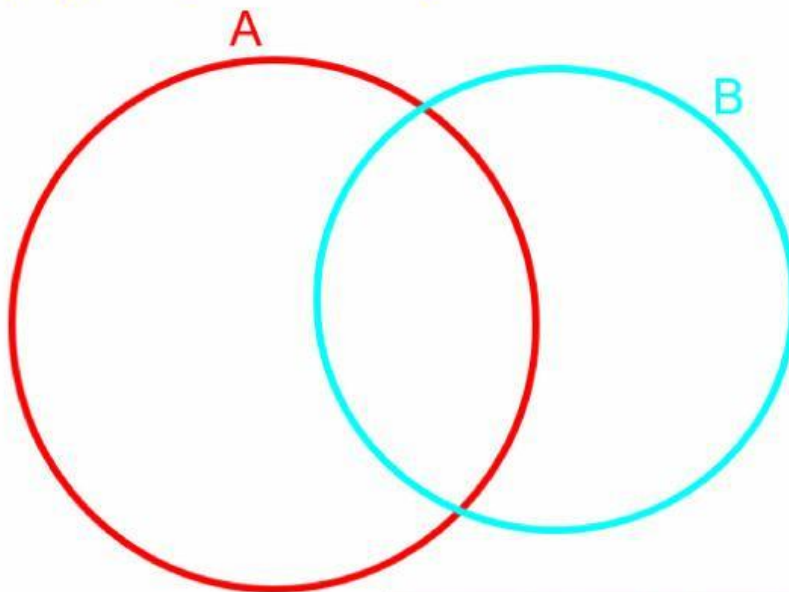

$E \cup F =$																			
$E \cap F =$																			

$G / H =$																			
$H / G =$																			

4. (30p) Completează diagramele cu elementele corespunzătoare:

$A \cup B = \{a; b; c; d; e\}$																			
$A \cap B = \{b; e\}$																			
$A / B = \{a\}$																			

Oficiu: 10p

Succes!
