

$$4 + 3 = 7$$

4 + 1 + 4 =

$$3 + 3 + 3 = \square$$

$$3 + 1 + 1 = \square$$

 +  +  = 

A visual equation using dice. It shows two dice with 2 dots each, followed by a plus sign, then one die with 3 dots, followed by another plus sign, then an equals sign, and finally a blank die with 6 sides.

$$4 + 4 + 4 = \boxed{}$$
