

Come all you outlaws and restless riders

And gather 'round here, all you _____

Come fill your _____ and raise them high

And let us _____ and not be _____

No more, no, never again, no, never again

No more, no, never again, no, never again

No more

The _____ is rising and the day keeps falling

Our fire is burning and the wind keeps calling

So fill your glasses and _____ to fight

Let's all drink up and ride _____

No more, no, never again, no, never again

No more, no, never again, no, never again

No more
