WHAT'S MISSING?

Be a detective and find out what's missing!

There are five numerical patterns below. Each item has at least 1 missing number. Complete each pattern by supplying the missing number/s, and identify what kind of pattern is followed. A perfect score gives you extra points for next week's test!

1. 9, 11, 13, 15, 17, _____

2. 9, 16, 23, 30, 37, _____

3. 30, 35, _____, 38, 36, _____

4. 122, 120, 115, 113, 108, _____

5. 7, 20, 46, 94, 167, _____
