A message in a bottle

One day I decided to go fishing with my friends, Richard and David, because it was a lovel sunny day.

Usually we went to a big lake not far from my home. But that day we thought it would be more fun to go to the beach and go fishing in the sea. My friend, Richard, brought some food with him and we put the food in our rucksacks before we left home.

We had a lovely morning fishing, but we didn't catch any fish. In the afternoon, David said to me 'I'm bored, Peter. Let's go home!' Richard agreed with him but I still wanted to wal I told them to go home and that I would come later.

They said goodbye and then they left for home. After an hour, I also began to get bored and decided to leave the beach. But when I was walking back from the beach I saw a bott in the sand. There was a piece of paper in it. 'How exciting', I thought. 'It might be a mes· sage from pirates or someone who is living on an island!'

I picked up the bottle. Then I took the message out of the bottle and began to read it. It said: 'See you at home, Peter. Your friends, Richard and David!'
