III Przeczytaj tekst. Z podanych odpowiedzi (A–C) wybierz właściwą, tak aby otrzymać logiczny i poprawny tekst.

Our government has decided to send a spacecraft into outer space. ¹_____the cost, I think it's a great idea. We need to learn about space ²_____have more understanding of physics and other sciences. Scientists have ³_____great discoveries because of space exploration. ⁴_____some of these would have happened anyway, I'm sure they happened more quickly. Take water filters for example. ⁵_____had to have these when they travelled and, if we want to send people to Mars, they will have to make even more advances which will help people who can't get clean drinking water at the moment.
