Characters Larger than life

In any book, cartoon or film we all love to see the heroes **defeat** the villains, save the world, win the girl and live happily ever after. But just between you and me, don't we feel a little bit sorry for the villains as well?

Saruman, from *The Lord of the Rings*, is an **all-time** favourite villain, the type of villain I like. He is a tall wizard with a long white beard and cold dark eyes. He wears a long white robe and carries a magic staff. **Once** he was a good wizard but the **power** of a magic ring has made him evil and greedy and now he wants to **rule** the world. Only Frodo, the small **ring bearer**, can stop him.

Frodo Baggins, a Hobbit, is small, brave and honest, with bright eyes, curly brown hair and very large hairy feet! His **mission** is to take the magic ring to Mordor where it will be destroyed. He travels with some friends and together they have to face many dangers. Gandalf a **wise wizard**, protects them and shows them the way.

Another of my favourite heroes is Peter Pan, a mischievous, daring boy with pointed ears who can fly and never grows older. Peter and his friends, the Lost Boys, have a dangerous enemy called Captain Hook.

With his black moustache, **cruel laugh** and a sharp metal hook instead of a hand, the cunning Captain Hook is a perfect villain. He always wears a broad-brimmed hat and fine clothes. He lives with a **band** of pirates on his ship, the *Jolly Roger*, making plans to **kidnap** the Lost Boys and **capture** the boy he hates.

Not all villains are men. The Wicked Queen in *Snow White* is one of the most cold-hearted villains ever. Beautiful but vain, the queen asks her mirror every day, "Mirror, mirror on the wall, who is the **fairest** of them all?" The answer always pleases her, until one day the mirror replies that kind and caring Snow White is even prettier than her. The jealous queen is so angry that she **dresses up** as an old woman and gives Snow White a **poisoned** apple.

Whether heroes or villains, these are the characters I admire the most. I love to watch the heroes fight the villains and eventually see **good win over evil**. I also **can't help feeling** for the villains and their weaknesses; I just love to hate them! These stories are timeless and the characters are definitely larger than life.

Write an answer (1-2 sentences) to this question: **What does the title mean?** You can use these phrases to start your sentence.

The title refers

to...

The point of the title is

that...
