Teacher's feedbacks

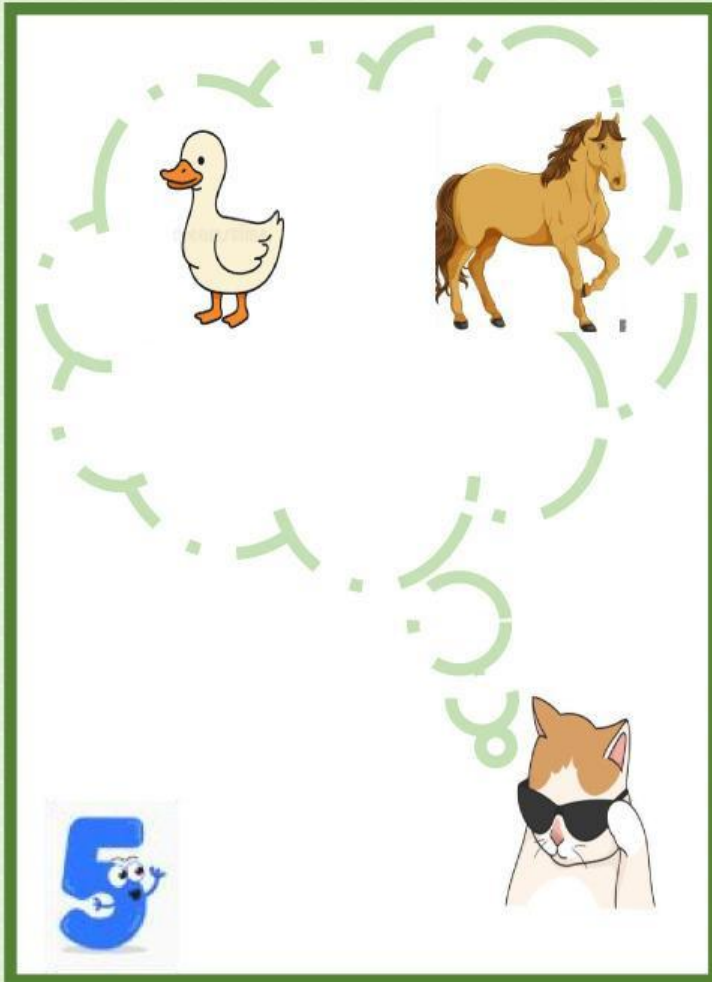

**Task 1. Listen and tick ( con nghe và chọn nhé )**

Panel 1: A duck and a goat are shown in a thought bubble above a cat wearing sunglasses. A blue number 1 character is in the bottom left corner.

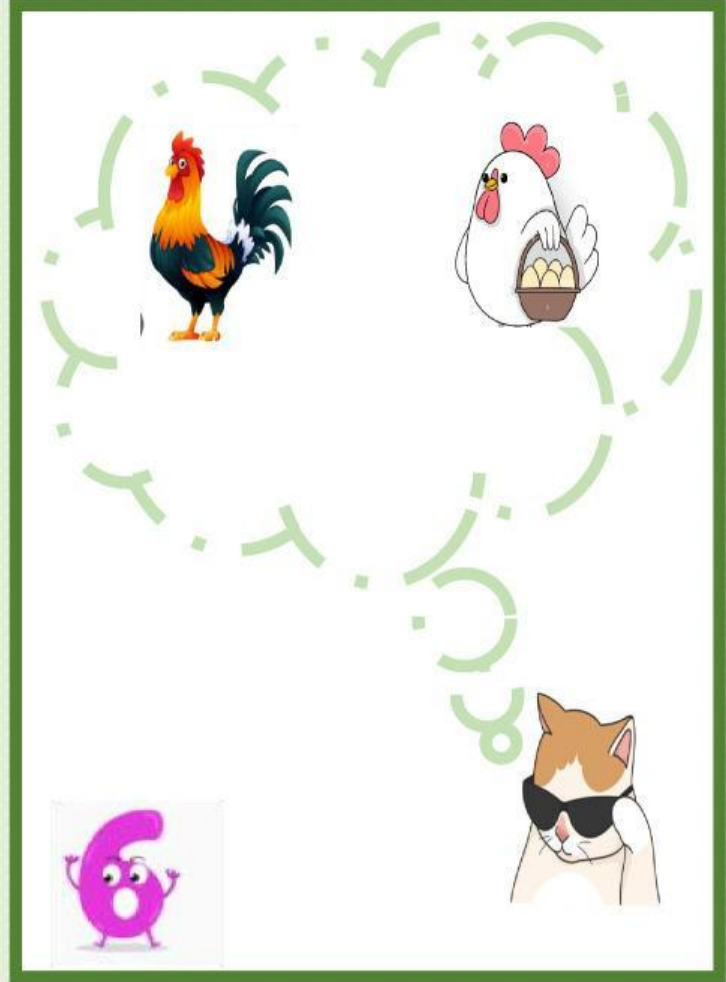

Panel 2: A rooster and a hen with a basket of eggs are shown in a thought bubble above a cat wearing sunglasses. A pink number 2 character is in the bottom left corner.

Panel 3: A cow and an egg are shown in a thought bubble above a cat wearing sunglasses. An orange number 3 character is in the bottom left corner.

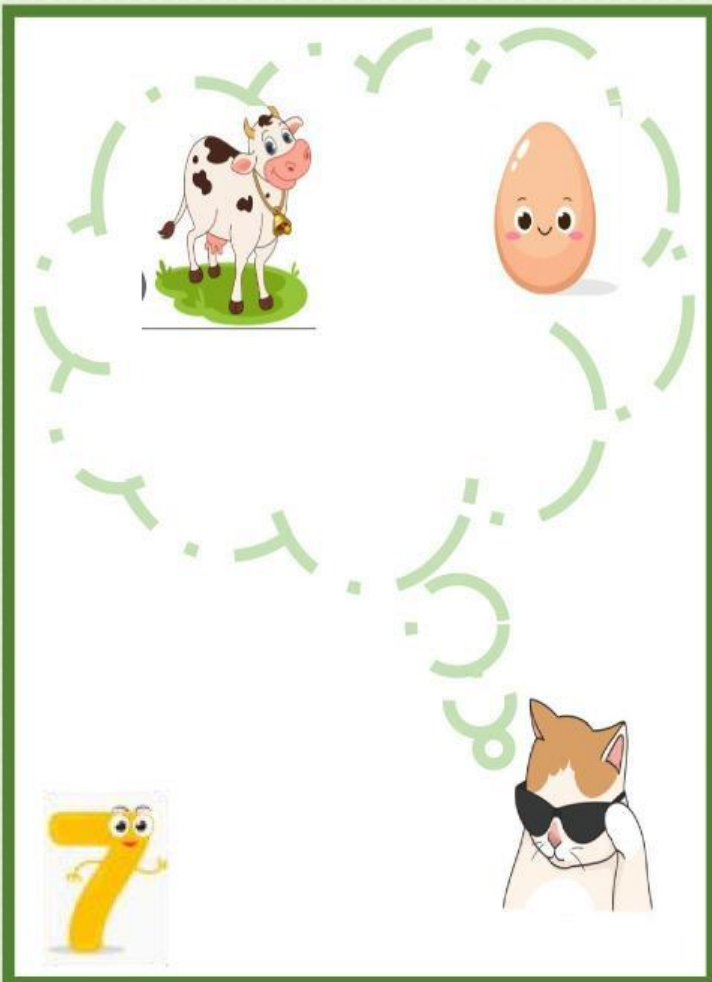

Panel 4: A dog and a cat are shown in a thought bubble above a cat wearing sunglasses. A green number 4 character is in the bottom left corner.

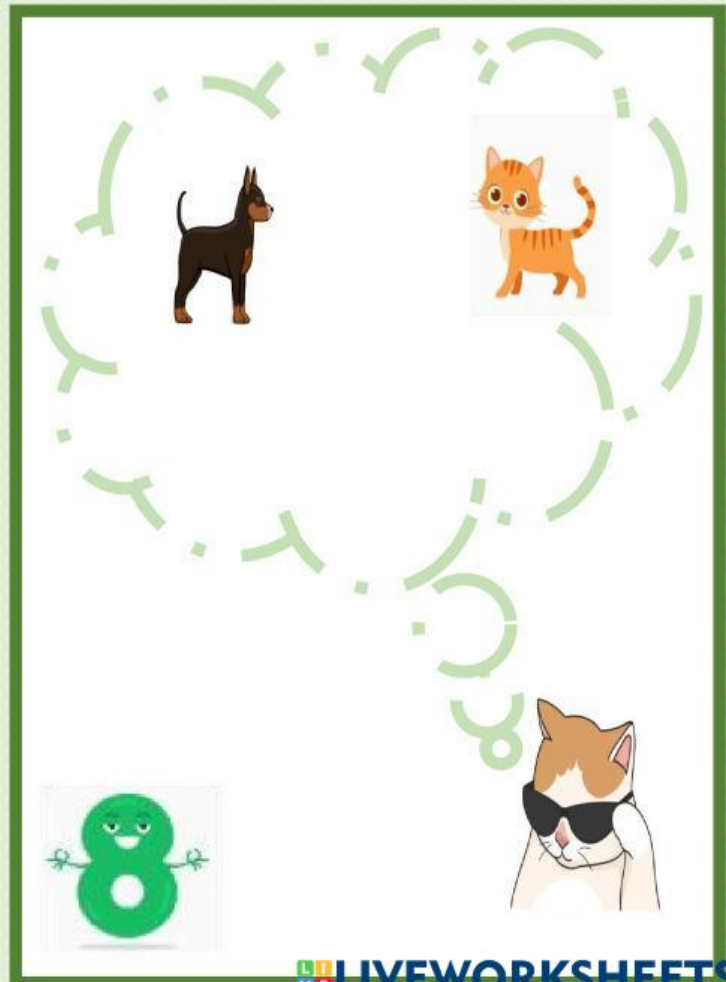

A maze puzzle for the number 5. The maze starts at a blue number 5 with a cartoon face at the bottom left. It winds through a path of green dashed lines, passing a duck on the left and a brown horse on the right. The path ends at a cat wearing sunglasses at the bottom right.

A maze puzzle for the number 6. The maze starts at a purple number 6 with a cartoon face at the bottom left. It winds through a path of green dashed lines, passing a rooster on the left and a hen holding a basket of eggs on the right. The path ends at a cat wearing sunglasses at the bottom right.

A maze puzzle for the number 7. The maze starts at a yellow number 7 with a cartoon face at the bottom left. It winds through a path of green dashed lines, passing a cow on the left and a brown egg with a face on the right. The path ends at a cat wearing sunglasses at the bottom right.

A maze puzzle for the number 8. The maze starts at a green number 8 with a cartoon face at the bottom left. It winds through a path of green dashed lines, passing a black dog on the left and an orange cat on the right. The path ends at a cat wearing sunglasses at the bottom right.

**Task 2. Listen and match ( con nghe và nối nhé )**
