My new neighbor - by Alex

This is my new neighbor, Mark. He's twelve years old and he's from Canada. Mark is very friendly and funny!

He can play the piano and the drums really well. I like playing the piano, too, but Mark is more experienced. Now, I'm learning how to play the guitar because I want to join a band with Mark.

When Mark isn't playing music, he enjoys reading books and playing soccer with his friends. His favorite animal is the dog because they are loyal and friendly. He would like to be a writer when he grows up.

Mark just moved here last month. We can't play soccer together every day yet because he's busy with school, but we talk after class.

Mark is a great neighbor and my new friend!
