

Exploring the Features of Windows 11

Subject: ICT – Grade 7

Name: _____ Section: _____ Date: _____

Learning Objective

At the end of this activity, you should be able to identify and describe the key features of Windows 11 and understand how they improve user experience.

Part A: Match Me!

Match the Windows 11 feature in Column A with its description in Column B. Write the letter in your notebook.

Column A (Feature)	Column B (Description)
1. Start Menu	A. Allows users to run Android apps on Windows
2. Taskbar	B. Contains pinned and recommended apps
3. Snap Assist	C. Provides quick access to opened and pinned programs
4. Widgets	D. Organizes multiple windows neatly on the screen
5. Microsoft Store	E. Offers weather, news, calendar, and other quick info
6. Android App Support	F. A hub for downloading apps, games, movies, and more

Part B: Identify Me! Choose the correct answer from the wordpool below. Write your answer in your notebook.

Android App Support	Windows back up	Snap Assist
Smart App Control	Microsoft Store	

1. Helps you save your files, settings, and apps, and then restore them on your new Windows 11 device.: _____
2. Makes the most of your screen space by arranging your open windows into perfectly aligned grids: _____
3. This store offers apps and games for download: _____
4. Provides a layer of security by only permitting apps with good reputations to be installed on your Windows 11 PC: _____
5. This feature supports mobile apps from the Amazon Appstore: _____

Part C: Think and Write. Write your answer in your notebook.

1. What makes Windows 11 different from older versions like Windows 10?
2. Which Windows 11 feature do you think is the most useful for students? Why?

Label Me! Choose your answer from the word pool below and write your answer in your notebook.
