Walter's Job

Walter is a doctor. He lives in a big city and works in a hospital. He works full time and often has to work long hours. He usually starts work at 8 o'clock in the morning and finishes at 6 or 7 in the evening. Sometimes he also has to work overtime, especially when the hospital is busy.

At work, Walter helps sick people. He also has to write emails, make phone calls, and write reports for other doctors. He is very busy, but he likes his job.

Walter does not wear a uniform every day. But sometimes he has to wear special clothes at the hospital, like a white coat, gloves, or a mask. Walter is well paid because he has a lot of responsibilities. He says, "My job is tiring, but I enjoy it. I like helping people."
