Read and rearrange the paragraph

1		When she stood on the stage and looked at all the students, she felt nervous, but then she remembered her teacher's advice "just smile and take your time."
2		One morning, Sarah woke up excited because it was her turn to lead the school assembly.
3		By the end, everyone clapped, and Sarah felt proud of herself for being brave.
4		She had practiced her speech all week, but now her hands were shaking.
5		Sarah took a deep breath and began speaking.
