LIVEWORKSHEETS

2. Your friend Sam has written you an email.
   Write an email to Sam.

Hi,

Guess what? Do you remember the sports competition I entered last month? They announced the results yesterday, and I've won two tickets to go and watch an international sports event!

Would you like to come to the event with me? We can choose to go in July or August.

We have to book which sport we want to see in advance. There are football and basketball matches. Which sport do you prefer to watch?

They sell lots of souvenirs at the stadium. What do you think we should buy?

Bye for now,

Sam
