ESSAY

T

Supermarkets are becoming increasingly popular, but some people believe that they are having a negative effect on local communities.

To what extent do you agree or disagree with this opinion?

Write an **essay**.
Write **140 - 190** words in an appropriate style.

✿ In your essay, you should:

- Explain why supermarkets are popular in modern society.
- Describe how supermarkets may affect local businesses and communities.
- Give your opinion on whether supermarkets are a positive or negative development overall.
- Support your ideas with examples.

👉 Useful vocabulary to include:

- local businesses
- small shops
- convenience
- affordable prices
- job opportunities
- community atmosphere
- local economy
- competition
- customer service
- shopping habits
