Example

There's a new teacher at school and we had our first science lesson with him today.

1 His name is Mr Hill and makes science very interesting.

Emma and Sophia didn't enjoy the lesson because Mr Hill
2 ten questions on the board and they didn't know any of the answers. But I think he's nice!

3 He told us lots things about the planets and about our moon and sun.

We watched a short DVD in his class too. It was about the first rocket
4 flew in space.

5 I think I'd to be an astronaut one day.
