The Place I Love

My name is Kai and I live in a large town. My town is nice, but it isn't my favourite place. That's a small village by the sea about two hundred kilometres from my house. I go there with my parents and my wife three times a year.

We have a beach house there – it's five minutes from the sea and it's great! There are three bedrooms and two bathrooms in the house. There isn't a garden, but that's OK because we can relax on the beach.

The village is small, but there are lots of things to do. My mother loves to eat breakfast in one of the beach cafés. My father likes to go to the market and buy fish for our dinner. My wife likes history and there is a small museum about the town. She always visits it when we're there.

In the evenings there aren't many places to go. There isn't a cinema and there aren't any restaurants, but it's OK because my father cooks dinner and we sit in the living room, chat and look at the sea from the window. It's a lovely view.

7 Read the text again. Complete the sentences with ONE word or a number from the text.

1 Kai's favourite place is _____ km from his town.

2 The beach house has _____ bathrooms.

3 Kai's _____ always goes to the museum.
