

Misunderstood

Bon Jovi

_____ I? _____ I?

Have said the wrong things right a thousand times

If I _____ just rewind, I see it in my mind

If I _____ turn back time, you'd still be mine

You cried, I died

I _____ have shut my mouth, things headed south

As the words slipped off my tongue, they sounded dumb

If this old heart _____ talk, it'd say you're the one

I'm wasting time when I think about it

I _____ have drove all night

I _____ have run all the lights

I was misunderstood

I stumbled like my words

Did the best I _____

Damn, misunderstood

_____ I? _____ I?

Apologize for sleeping on the couch that night

Staying out too late with all my friends

You found me passed out in the yard again

You cried, I tried

To stretch the truth, but didn't lie

It's not so bad when you think about it

I _____ have drove all night

I _____ have run all the lights

I was misunderstood

I stumbled like my words

Did the best I _____

I'm hanging outside your door

I've been here before

Misunderstood

I stumbled like my words

Did the best I _____

Damn, misunderstood

Intentions good

It's you and I, just think about it

I _____ have drove all night

I _____ have run all the lights

I was misunderstood

I stumbled like my words
Did the best I _____, misunderstood
I'm hanging outside your door
I've been here before
Misunderstood

I stumbled like my words
Did the best I _____
Damn, misunderstood
Intentions good
